	In the following passage some words have been deleted. Fill in the blar alternatives given. Select the most appropriate option for each number.	ıks with the help of the
	Human life is (1) a unique blessing, which in turn depends on the (2) of the Self. He who is not aware of the Self can neither have peace nor can he foster peaceful co-existence. We have to link our soul with God and body with the physical world for substance. (3) the formless God is invisible to the naked eye, our mind often wanders wherever it goes. (4), we are unable to develop any love for the Divine. And religion like the white light of heavens (5) multi-coloured fragmentations by the prisms of men and loses its gravity. Instead of uniting, it becomes a major dividing force. French philosopher Tail hard de Chardin, thinking deeply on meaning of our existence and relationship with the Divine, expounds, "we are not human beings having a spiritual experience, we are spiritual beings having a human experience".
